WELCOME

Welcome to the 2019 Llandudno Victorian Extravaganza, the past year really has been a challenge for the committee. The event industry is continually setting new standards, it is our job as a committee to ensure the Llandudno Victorian Extravaganza is a dynamic event that upholds these standards and offers something for everyone. It is safe to say that we are probably the biggest annual free to attend family event in Wales which is all organised by a team of volunteers. These fantastic people do all of this around their own lives, it's a big commitment but without it none of us would be able to enjoy this wonderful event.

I have been lucky enough to attend this event as a young child with my family having lived in Llandudno whilst growing up, then I had the excitement of the extravaganza as a teenager with my friends. We always used to wonder what rides and for me personally what entertainment would be on the streets of my home town over the weekend, it really was the one big event I always looked forward to.

As well as being a visitor to the Extravaganza I eventually had the chance to perform my show and what a feeling that was. I don't think I stopped for the whole weekend, it was amazing to perform for people from all over the world and in my own home town. This was followed up with an offer to join the committee which I took with both hands and here we are 18 years on, and I have the privilege to work with great people and continue the event for all those people that consider the Llandudno Victorian Extravaganza to be a highlight of their year.

With all of this in mind I would like to take the time to thank all the people who have been involved with the event in whatever way they might have been. Everyone has played a part and every part is vital in keeping the event going. I hope in another 33 years another enthusiastic person will be continuing the good work and that visitors and locals can enjoy the event that I feel so proud to be a small part of.

Enjoy and create memories that will stay with you forever.

Thank you for your support.
Chris Williams, Chairman

PARADE

12 noon

Welcome everyone to our daily parade heading off promptly from outside our main stage on Trinity square at noon.

We welcome anyone to join us in our parade dressed in Victorian costume or as part of a special community group who may have a uniform of their own. Contact us by email on Llandudnoextravaganza@gmail.com or make yourself known on the day to a Parade Marshall.

The parade has evolved to include all our marching bands, steam attractions and a plethora of amazingly dressed Victorian walkers.

During the parade route (which is clearly marked in the map at the centre of this programme) various collectors from local groups are collecting money to help support the Extravaganza and their organisation.

QUEEN VICTORIA

Some facts about the original Queen Victoria:

- Queen Victoria was born on 24.5.1819 almost 200 years ago.
- She inherited the throne at the age of 18 and married at the age of 21.
- It was only when Queen Victoria chose an ivory lace wedding dress in 1840, that white wedding dresses became the fashion. Before then red was the favoured colour for wedding gowns, in fact white was actually the colour worn for mourning.
- She had 9 children, 40 grandchildren and 37 great grand children.
- Her husband, Albert died in 1861 at the tender age of 42 and that is why for the rest of her reign she wore black.
- She herself died in 1901 at the age of 81.

We would like to thank our very own Queen Victoria, Andy Hutchings.

CAMBRIA BAND

The Cambrian Band will be performing all three days, you can see them in the parade at **12am** then each day at **2.45pm** in the Cultural Arena.

Cambria Band started like the musical version of the A Team and would play for those who needed them. This started at 10 events a year and quickly grew to 60+ events, thus making us one of the busiest marching bands in the World.

The repertoire is made up of traditional Welsh tunes and the commands are given in Cymraeg. The uniform is a Welsh tartan made from Welsh wool in Mid Wales.

ALEX FISHER

Alex began his career in magic treading the cobbles of London's famous Covent garden. Though as a beginner he stayed on the smaller pitches , here he learned and honed his skills. Those skills have enabled him to perform across 3 continents from street theatre to royalty. He has been facilitator for the international School of Busking here in the UK and is proud to have helped and still to help the next generation of performers develop. His street performances have been seen far and wide, Llandudno now for the fourth year , the international Eisteddfod, Clifton Street Festival, The Bay Cardiff, Conwy Pirate Festival, Doncaster Steampunk festival, Silverstone, Newport festival amongst many others. Make sure you catch his shows whilst here at LVE, or try and catch him as he wanders the streets doing incredible acts of mid blowing magic in a way that only he can.

QUEEN OF THE MAY

Every year the Llandudno Victorian Extravaganza crowns a new Queen of the May. Along with Queen Victoria, the Queen of the May represents the Llandudno Victorian Extravaganza, leading the parade each day, talking with visitors and promoting the Extravaganza in other events.

The retiring queen is Queen Jessica and we would like to thank Jessica for her work during the year. Queen elect is Queen Sophie who will be crowned at the beginning of the Llandudno Victorian Extravaganza.

The Queen of the May has two distinct but related meanings: First, as a mythical figure and then as the personification of Spring + May Day holiday. May Day is one of the oldest Pagan traditions and to the ancient Celts it was a significant and joyful day. Although May Day, as a national holiday was abolished some years ago, "MayDay" celebrations still take place, when a young lady is chosen to lead the May Day celebrations and is traditionally crowned with a garland of flowers or a tiara. Llandudno Victorian Extravaganza Queen of the May is traditionally crowned at the beginning of the weekend, and amongst her duties, is to accompany and support Queen Victoria, as far as possible in her "Royal Duties".

ParcFarm Holiday Park

Nestled in the flowing foothills of the Clwydian Hills, ParcFarm Holiday Park in North Wales is the perfect place to relax and unwind. Put the stresses of work and daily life away and come and enjoy your holiday.

Visitors and owners at ParcFarm enjoy nearly 70 acres of holiday park, as well as various well-marked country walks and cycle tracks. Although surprisingly close to Wrexham, there is no doubt that you're in the heart of nature.

The area is great for outdoor enthusiasts, but our on-site leisure facilities, including a heated swimming pool, clubhouse, play area and field, ensure that everyone is entertained, no matter the weather. We host annual events like ParcFest, our live music festival which occurs over the August bank holiday. Owners enjoy exclusive black tie events and galas throughout the year.

Our luxury static caravans and holiday lodges are designed to satisfy the demands of our customers who want quality without the daunting price tag. All pitches have private gardens with plenty of space, ensuring you get the maximum pleasure possible in one of the most beautiful holiday parks in North Wales.

Own your own holiday home, or take advantage of our Hire Fleet.
